

Meldrum School
Suggested Snow Day Activities
Nursery

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all of the activities each day. Can you think of any extra activities?

Suggested Activities

Build a snowman. Take a photograph of it with you standing beside to show how tall it is. Take the photograph into Nursery.

Collect some snow and take it indoors. After a few hours check what's happened.

Fill a container with water and put outside in the garden overnight. What do you notice in the morning?

How deep is the snow in your garden?

Have fun in the snow!
