

Meldrum School
Suggested Snow Day Activities
P3A

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all of the activities each day. Can you think of any extra activities?

Suggested Activities

- Write addition or subtraction sums in the snow: Square and Circles groups - numbers to 100. Rectangles group - numbers to 20. Triangles group – numbers to 10.
- Write and order 10 numbers in the snow: Square and Circles groups - numbers to 1000. Rectangles groups - numbers to 100. Triangle group – numbers to 20.
- Write a snow story with a picture.
- Make a paper snowflake.
- Rewrite the ending to your favourite story.
- Make a new book cover for your favourite story.
- Make, then draw or take pictures, of a healthy snack you have prepared at home.
- Put a cup of snow in the fridge, a cup of snow outside and a cup of snow on the table. Leave them for a while then write about what happens.
- Build a snowman and use a ruler or a tape measure to see how tall and wide it is.
