

**Meldrum School**  
**Suggested Snow Day Activities**  
**P3CR**

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all of the activities each day. Can you think of any extra activities?

**Suggested Activities**

- Write addition sums in the snow - Square and Circles maths groups numbers to 100. Triangles and Rectangles maths groups numbers to 20.
- Write and order 10 numbers in the snow - Square and Circles maths groups numbers to 1000. Triangles and Rectangles maths groups use numbers to 100.
- Write a snow story with a picture.
- Make a paper snowflake.
- Rewrite the ending to your favourite story.
- Make a new book cover for your favourite story.
- Make then draw or take pictures of a healthy snack you have prepared at home.
- Put a cup of snow in the fridge, a cup of snow outside and a cup of snow on the table. Leave them for a while then write about what happens.
- Build a snowman and use a ruler or a tape measure to see how tall and wide it is.
