

Meldrum School
Suggested Snow Day Activities
P5C

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all of the activities each day. Can you think of any extra activities?

Suggested Activities

Literacy

- Find 10 synonyms for the word 'cold'.
- Choose 10 wow words to describe the weather.
- Write a short poem about a winters' day.
- Write an imaginative story with the title "An alien arrives on a snowy day..."
- Make a snowman and write step by step instructions, you could maybe even take photographs at each stage.

Numeracy

- Times tables revision.
- Make 3D shapes from snow and build a snow robot. How many different shapes have you used?
- Measure the snow fall each day and record your information in a table.

Health and Wellbeing

- Design a warm up game to play during PE lesson.
- Work with an adult to bake or cook a winter meal and then write out the recipe to share with your classmates e.g. soup, stew, cookies, scones.

Expressive Arts

- Look outside your window and draw what you can see.
- Fill old plant sprayers with water and food colouring and go outside and create a snow picture.
- Draw a comic strip to tell me about your snow day, what did you get up to?

Topic

- Choose an activity from our Titanic grid or why not make up your own activity related to the topic. You could take photos to share in class.
