

**P7C Termly Update
Session 2017-2018
Term 2**

Class News

The darker nights can only mean one thing, winter is fast approaching! It was lovely to meet parents at the end of last term and we hope you had a restful holiday. The children have settled back into their learning and they are delighted to be continuing with our World War 2 topic. I have been very impressed with how the children have been co-operating when taking part in our shared tasks. We plan to continue this throughout Term 2. Preparations for the P3, P5 & P7 Christmas show will soon be underway. More details to follow.

As always, please don't hesitate to get in touch if you have any questions. Thank you ☺

Please check and sign your child's diary every week.
