**Room 7**

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all of the activities each day. Can you think of any extra activities?

**Suggested Activities**

*Do a letter of the day activity.*

*Pick a letter to craft with and explore. You can have your child hunt for the letter around the house, in books or magazines, or find objects that have that letter's sound, etc. You can also do a letter craft activity for the letters in his/her name.*

*These are cute and fun! You could try some of these.....*

*A is for Apple · B is for Bear · C is for Crab  
D is for Dinosaur · E is for Elephant · F is for foil*

*Draw different features of faces on flat stones or card and arrange them in different ways to make faces. You can add wool or fabric for hair. Can you make different expressions? Happy, sad, excited, cross, tired, wide awake!*

***Paper Plate Snake Craft***

*You will need a rolling pin, paper plate, green paint, bubble wrap, scissors, 2 googly eyes, ribbon, and glue.*

*Let it dry for about 20 minutes and start cutting a spiral shape into the plate. Leave a rounded "head" at the end of the spiral.*

***Painting with Snow***

*Scribble with felt pens all over some coffee filter paper or paper plates until mostly covered with colour. Now, wrap up well, grab some paintbrushes and your coloured paper, and head out to the garden.*

*Use the snow to paint on your colour and watch what happens!*
