

**Enhanced Provision Termly Update**  
**Session 2022/23**  
**Term 3**

**Class News**

Happy New Year and welcome back to Term 3. We still have a few items of clothes and water bottles without names, please could you ensure that every item is labelled as a number of the children have similar water bottles. Every day we have a sensory activity and craft activity please could you make sure your child has an apron and a change of clothes just in case they get messy. Whenever the weather is suitable we will continue to access the early years playground for PE, please dress accordingly on these days.

**Weekly Timetable**

Monday	School Library visit, Topic
Tuesday	P.E, Outdoor learning
Wednesday	Pupil voice/ Assembly / Otter Club. Home learning posted on google classroom
Thursday	GP room - Music
Friday	P.E

**This Term's Learning**

In numeracy this term, we will be looking at money, measure and symmetry. We will learn how to identify different coins and notes up to £2. We will explore measuring different every day objects with rulers, metre sticks and tape measures and look for symmetry in nature.

In Literacy this term, we will continue to explore letter sounds and names through sensory experiences. Some of us will continue to explore diagraphs. We will also begin to form longer sentences using colourful semantics. We read daily in class, if your child currently has a reading book please ensure it is brought in everyday.

In health and wellbeing this term, we will be learning all about our bodies. Learning the names for our body parts and how to keep our bodies clean.

This term we have outdoor learning on a Tuesday. We have already started chitting our potatoes and will plant them later this term. We will sow flowers and other vegetables which we will then watch grow and harvest. We will also be taking part in the RSPB birdwatch and making bird feeders.
