In numeracy we will be concentrating on addition and subtraction along with recognising coins up to £2. In topic we will explore where people live and the homes they live in. We will look at design and construction. along with making links to a historical building. P.E. will be inside and outside this term, so please ensure that adequate outdoor clothing is provided. For indoor P.E. we are looking at throwing and catching balls and using a variety of equipment. We will also be working together in teams and learning to take turns and how these skills will help us to compete in a challenge or race. We will be expressing ourselves in drama this term using a story book as a stimulus.
