Session 2022/23
Term 3**

Class News

Happy New Year and hope you all had a lovely festive break! The children have returned full of enthusiasm and have already worked incredibly hard on planning, preparing and delivering the first school assembly of the year! This term our topic will have a historical focus as we investigate people in the past through 'Romans & Celts.' As always, the children have been eager to contribute during our planning discussion by asking relevant questions and suggesting a range of fun and engaging activities e.g. designing coats of arms, LEGO castles and junk model swords!
