Parents- what was your sport? Could you be a parent volunteer or coach?

Active Schools relies heavily on volunteers and coaches to ensure that we can deliver high quality coaching for all our activities during school terms and holiday periods. We also appreciate how busy everyone is, especially parents, but is there a chance that you are one of those hidden volunteers or coaches who used to love taking part in sport? If that is you then please get in touch with me at malcolm.grant@aberdeenshire.gov.uk .

Active Schools can provide you with support, guidance and training so that putting something back into the Oldmeldrum and surrounding community is easy and we will allow you to enjoy volunteering within sport. If you have the right qualifications and experience then we are looking for you to help ensure that Aberdeenshire remains at the forefront of youth participation in sport.
