

## Meldrum Rights Express

### **Article 13**

*Children have the right to find out things and share what they think with others, by talking, drawing, writing or in any other way unless it harms or offends other people.*

Welcome to the first edition of the Meldrum Rights Express which was created by the Roaring Rights Group: Harry (Chair) Libby, Anna (Vice-Chair), Amelia (Secretary), Ethan, Niamh (Secretary), Heather, Nicola, Amelia, Ollie, Hallie, Nicholas, Ella and Lilly

### **Article 14**

This term the group has picked Article 14 for the whole school to work on. The Article says that all children have the right to think and believe what they want (including their religion) as long as they are not stopping others from getting their rights

### **Eco Schools**

Our Eco reps have been working hard this term. Each class rep has been chosen and have all attended the Eco Group meetings. They have worked with all the classes in school and together have decided that the focus over the next year will be on the topics of Litter, Biodiversity and our school grounds. We are busy making our school's Eco Code at the moment which we will share with you all

### **Roaring Rights Group**

We have currently raised £883.21 towards our total of £2,020 for Wateraid.

### **Meldrum School Houses**

Every week, children from across the school are earning House Points for meeting school expectations and contributing to the life of the school. The House Point totals are currently as follows:

Chrystal 13020  
Keith 12140  
Forsythe 11280  
Manson 11150

With just a term to go until the House Cup is awarded, everyone needs to keep focused on earning House Points in class and around the school and of course at Summer Sports Day too!

*Mrs Brown*
