

The Primary Active Schools Central Team are continuing the Netball Festival Series in 2018. We have adopted the Fun5z ethos and rules which are available if required, and will be implementing these rules throughout the festivals. For further information or training opportunities on the Fun5z game, please contact your Active Schools Coordinator. It is our vision to increase involvement in the sport of netball, and to provide children with the opportunity to play games and participate in festivals.

Entries can be taken at any time throughout the year using the application form attached. However they **MUST** be received no later than 2 weeks before each event to allow organisation for each festival day.

## Confirmation

A confirmation email will be sent 2 weeks prior to the festival. If you do not receive this confirmation please contact your ASC to ensure you are included in the playlist for the festival. An order of play for each event will be handed out at each event. Coaches will be required to umpire.

## What to Bring

Participants should arrive wearing training shoes and appropriate netball kit. A set of netball bibs should also be provided by each school.

## Festival Ethos

As the ethos for these participation festivals is fun, there will be no winners, and scores will not be recorded with the exception of the Kemnay scored festival. The main emphasis will be on fair play and sportsmanship and children should be encouraged to adopt this approach at all festivals.

**Each team must bring an umpire. If you have 2 teams you must bring 2 umpires, 3 teams 3 umpires, etc.**
