## 12<sup>th</sup> February 2021

We are currently planning for the return to school of children from Nursery to P3. As you know, this return is subject to confirmation by the First Minister on Tuesday 16<sup>th</sup> February. Further details will follow at the end of next week. Arrangements for Nursery – P3 children accessing school (timings, entrance/exits etc) will remain the same as they were previously. Children in P4-7 will continue with Remote Learning for the time being.

Thank you for supporting your child to access Google Meets over the past few weeks. The feedback we have had about Google Meets has been very positive and both children and staff have enjoyed the opportunity for 'face to face' interaction.

### Staffing

Jasmine Keir begins her maternity leave on Monday 22<sup>nd</sup> February. We wish Jasmine all the very best and we look forward to welcoming a new member of the Meldrum School community! We said farewell recently to Diane Meldrum, our Acting Early Years Lead Practitioner and would like to thank her for all her hard work during her time at Meldrum. This post has now been advertised. The recruitment of a new Principal Teacher is also on going.

### Meldrum Cluster Snow Sculptures

Have you built a snowman or snow sculpture during the snowy weather? Please share them with us via Twitter @MeldrumSchool or email the school office

Other schools in our cluster are sharing photos too and staff at Meldrum Academy hope to collate and share all the photos. Have fun!

### February Holiday

A reminder that school is closed for February mid term holiday on Monday 15<sup>th</sup> February and inservice days on Tuesday 16<sup>th</sup> and Wednesday 17<sup>th</sup> February. We look forward to seeing children back online on Thursday.

Yours sincerely

Carol Harper
