Marshalling

These events can only run if we have additional adults to act as marshals. Absolutely no experience is necessary and in most cases you will only be needed to marshal for the duration of your child's race. This will involve standing at a check point on the route for the duration of the race to point the runners in the right direction or helping at the finish line.

Please tick this box if you are willing to act as a marshal on the day of the event

Photography or filming may take place during the sessions for promotion and publicity purposes. Images may be used in publications and on our website to publicise our services or celebrate special events. These may also appear in our printed publications, on our website, intranet, social media ie facebook, twitter and on plasma screens in various council offices. We may also send them to the news media.

Please tick this box if you **DO CONSENT** to your child photographed and images used as indicated above

Please tick this box if you **DO NOT** wish your child to be photographed and images used as indicated above
