

**P4A Termly Update
Session 2023/24
Term 3**

Class News

Happy New Year and I hope you all had a lovely festive break! The children have returned full of enthusiasm and we will soon be working hard on planning, preparing and delivering for our school assembly in March (We look forward to seeing you then!). This term our topics will be historically and environmentally focused as we investigate people in the past through 'Vikings' and "Weather in Scotland". As always, the children have been eager to contribute during our planning discussion by asking relevant questions and suggesting a range of fun and engaging learning activities.

Weekly Timetable

Monday	Phonics, sentence writing, Maths, library, Topic, Magic Writing
Tuesday	Comprehension, Uplevelling sentences, Maths, Drama and French
Wednesday	Reading, Dictionary/VCOP work, Grammar, Maths, Topic, Assembly/OTTER clubs
Thursday	Maths, Writing (poems this term), PE (with Ms Brady), Health and Wellbeing/Rights/RSHP
Friday	Mrs Brown in class Imaginative Writing / Money / Music / Outside PE

This Term's Learning

NUMERACY:

- *Subtraction- Develop a range of strategies and identify links with addition to solve problems.
- *Multiplication- Apply strategies to learn and secure multiplication facts for the 2, 3, 4, 5 &10 X table.
- *Time- Tell the time using half past, quarter past and quarter to using analogue & digital clocks.
- *Position & Movement- Describe, follow and record routes using angles, directions and turns.
- *Money- Learning how to calculate change up to £10.

LITERACY:

- *Explore Scots' dialect through a selection of Scots poems.
- *Write different styles of poems.
- *Engage with a range of sources for research, take notes & organise them into functional writing.
- *Begin to proof read and self correct any simple spelling and punctuation errors.
- *Explore with tone and expression when reading aloud.
- *Develop our questioning skills by writing our own comprehension questions.

HEALTH & WELLBEING:

- *We will use the RSHP Website and Rights Respecting Schools for our Health and Wellbeing lessons which will include relationships, sexual health and parenthood.
- *Continue working through our school Bounce Back programme.
- *Link actions and skills through movement during gymnastic inputs.

SOCIAL STUDIES- Compare aspects of people's daily lives in the past with our own.

ICT- Develop independent use of Chrome books to safely & responsibly research a given topic.
