

Class News	
<p>Welcome back to Term 3! This term we will have a focus on Scots language as we explore the life of Robert Burns and learn other well known poems by Scottish poets. We will complete our topic on Bridges, investigating bridge design around the world in order to design and test our own models. Later this term, our topics will be Natural Disasters and we will also investigate the Water Cycle. As always, please don't hesitate to get in touch should you have any queries. Miss Park</p>
